Commissioner Jane Henney, M.D.
Food and Drug Administration
5600 Fishers Lane, Room 1471
Rockville, MD 20857

Dear Commissioner Jane Henney, M.D.,

Subject: Antibiotics Overuse

As a concerned US citizen, I urge you to take action against the overuse of antibiotics as growth promoters in livestock. It has been linked to the emergence of antibiotic-resistant diseases.

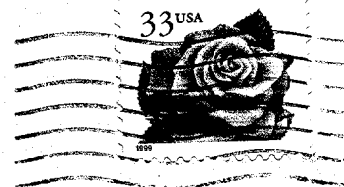

Please follow the lead of the European Union and move to immediately ban animal uses of growth-promoting antibiotics used in human medicine.
